

Historic / Classic Vehicle Entry Policy 2026

From 2026, to qualify for free entry vehicles must conform to one or more of the following requirements:

i) Historic Vehicles*

Free for driver + 1 passenger, additional passengers to pay normal entry fee. Owners will be supplied with a Historic Vehicle Parking Pass.

ii) Pre-arranged Club/Group Visit.

Clubs or groups of historic, classic, marque or special interest vehicles

Free for driver and + 1 passenger

Additional passengers to pay normal entry fee.

A one-day parking pass will be issued to club/group organisers by email to circulate to their members – this pass must be displayed on entry.

iii) All motorcycles

Free for rider + 1 passenger

Additional passengers to pay normal entry fee.

(The number of non-historic motorcycles afforded free entry to be monitored).

All 'Classic Cars' and 'Cars of Special Interest' that do not fall into the above categories will be charged the normal visitor entry rates from 2026 and will be parked in the public car park. However, owners of these vehicles will be encouraged to take out PIMS membership during 2025 and consequently be eligible for free entry in 2026, subject to membership renewal.

From 2026 PIMS members will be eligible to park in the Rear Orchard rather than the public car park, thus giving these vehicles access to preferential parking.

Membership application form can be found overleaf or is available from the ticket office and website.

*** Historic Vehicles**

To qualify for free entry the vehicle must meet the Government eligibility criteria to be registered as a Historic Vehicle i.e:

- the vehicle was built or first registered more than 40 years ago
- no 'substantial changes' have been made to the vehicle in the last 30 years, for example replacing the chassis, body, axles or engine to change the way the vehicle works
